

Abstract

A gas bag module comprising a gas generator (16) and a module housing (14). The gas generator (16) has a generator flange (22), which is provided with first hook-shaped fastening elements (24) of sheet metal for fastening the gas bag module (12) to a steering wheel (10). The generator flange further has second fastening elements (30; 30'; 30'') for fastening the gas generator (16) to the module housing (14).
